

"A friendlier face"

Made by: Treasure Luengas

10

We do have some reputations.

11

Some being that we're loyal, hardworking, and overall great and protective

12

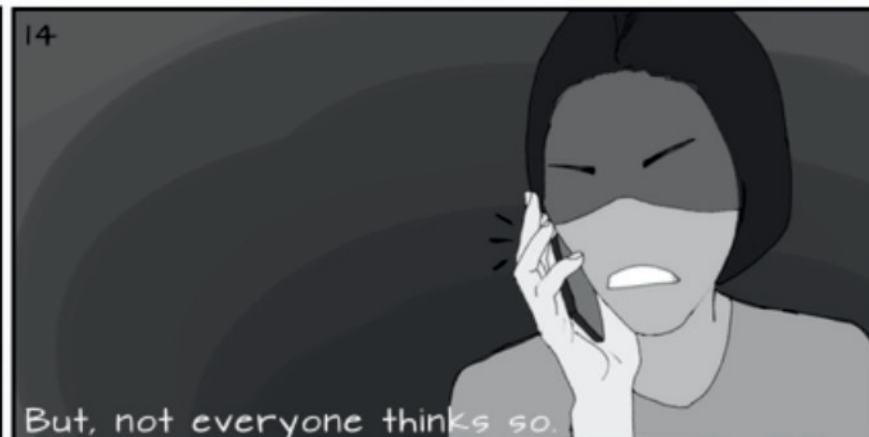

And some being that we're aggressive and dangerous

13

But I can assure you, I'm a good dog.

14

But, not everyone thinks so.

15

And unfortunately because of that

16

I was taken away.

17

But just maybe

19

I'll come back

18

When I come back.

20

With a friendlier face.
